### Introduction:

Established in 2014, **Propcom Projects** has provided industry standard service and high quality maintenance, repair and paint work on estates, apartment buildings and commercial properties within the Gauteng Area!

We are specialists in wall and roof painting as well as substrate waterproofing, barge and fascia replacements, fence and balustrade refurbishments, general repairs and just all round estate and property restoration. Using only the best quality industry brands like Dulux and Flash Harry coupled with experienced staff, estate and commercial properties are restored to new in no time!

Our MRP (Maximum Restoration Process) is our integrated company standard ensuring only the best repair work is carried out! From consultation to completion, our sense of integrity is held throughout.

### List of Services:

Our list of commercial estate services provide for full all round estate and apartment refurbishment. Our consultation and estimation processes take every factor into account allowing us to maximise our service level agreement. Our maintenance processes are generally undertaken holistically but can be carried out individually based on choice.

#### **Building Restorations, Waterproofing & Painting**

We carry out complete restoration on building substrate walls, boundary walls, window panes, as well as barge and fascia substrates and ballustrades. Our processes include:

- Crack repair and polyfill refill
- Cement post plastering
- Waterproofing and damp seal
- Coat & re-coat painting
- Rust removal and cleaning

#### **Roof Restorations, Waterproofing & Painting**

Major components of our services include complete tile roof restoration and painting. Our processes include:

- Cement post plastering
- Roof Tile Replacements
- Waterproofing and damp seal
- Coat & re-coat roof painting

### **General Exterior Repair & Maintenance**

Part of our integrated maintenance solutions includes all round estate care. Some of our general maintenance processes include:

- Light & Light Fitting Replacements/ Repair
- Awning Installations
- Cable Tubing
- Re-coating
- Barge & fascia board replacements
- Signage Replacements
- Installation, painting and restoration of mounted washing lines
- Full restoration of fences and gates.

All our repairmen are equipped with the latest safety equipment to prevent injury on duty, fire outbreak, and any further potential damage to property. For a list of safety equipment and practices feel free to contact us.
